

Cornerstone Training Guide

Browse for Training

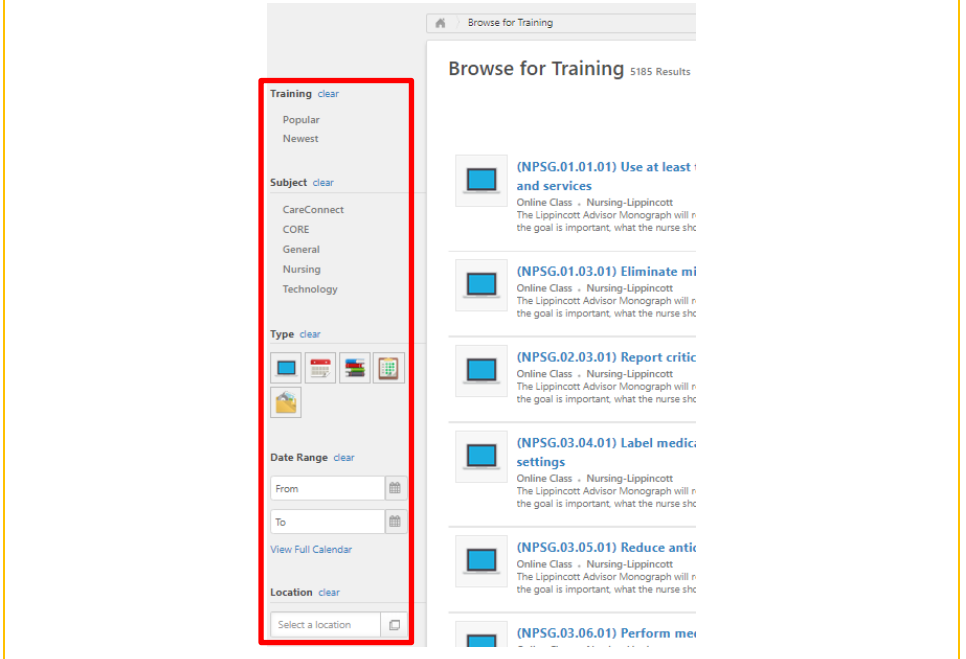

Introduction

In this scenario, learners will browse for training.

1. From the **Welcome Page**, select the **Browse Training** icon.

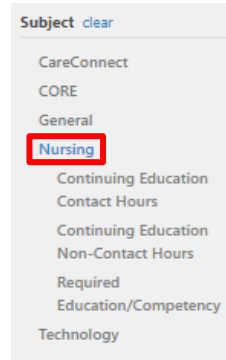

2. **Browse for Training** allows you to search for training based on popularity, subject, type, date, and location.

3. Click on **Subject: Nursing** to view an expanded menu.

Note: Trainings within Subject: Nursing are managed by the CENTER for Nursing Excellence.

Note: Trainings within Subject: CareConnect are managed by Informatics Training.

4. Click on the desired **Icon** to filter trainings by type.

Note: Care Connect Events have been pre-packaged into Curriculum.
